BATE'S BOOM.

The Giles Democracy Called to Meet in Mass

And Celebrate the Victory they Intend to Achieve this Fall.

By direction of the chairman of the two democratic committees, now one and inseparable, and in obedience to the expressed wishes of numerous honest and true citizens, a Mass Meeting of Democrats to take place in Pulaski next Monday, July 24, at the court-house. It has been given out that democracy is to be made to suffer another defeat, and now the people are requested to assemble in full numbers and by their presence and enthusiasm disprove this cruel boast, and to hear the news from other sections where the reunion of democracy has been achieved as the fruit of great joy and the people are shouting back their approval of Bate and united democracy with universal accord and an enthusiasm that presages an old-time, sweeping, guile-washing democratic victory.

Spare one day for democracy, and let the hills and valleys of Giles send up their people with one accord to ratify and give strength to the action of their convention, and to show a solid front to our enemy, republicanism, and to show to our brethren elsewhere how small the Bolt is in Giles, and that Giles democrats are real democrats.

Mr. Rains, the aged father of Mr. Jack Rains, died last Monday at his home on Pigeon Roost creek.
